

## Jessica

Jessica: Hey Everyone! (*Music stops and everyone stops dancing and looks at Jessica and Jasmine. Campbell and Nina walk pass them.*)

Bridgette: Jessica what are you doing here?

Jasmine: I invited my mom.

Darnell: Jasmine why did you do that?

Jasmine: Because... Because...

Jessica: Go head, baby, tell them. It's time everyone knew.

Jasmine: (*Takes a deep breath*) Well... Dad has accepted my invitation for a family vacation with just Dad, myself, and Mom.

Aunt Lucy: Jasmine she's manipulating you baby. This vacation is not about you. It's about her and what she wants. She using you.

Jasmine: No she wants me to spend more time with dad.

Aunt Lucy: By taking a vacation? Girl you dumb!

Jessica: Don't listen to them, your Dad needs to be with me. Don't flake on me now.

Bridgette: (*Looking at Darnell*) You hear that. That's not innocent Darnell. Her motive is clear. Everyone sees it but you.

Jessica: I told you Bridgette this vacation is about Jasmine and bettering her life.

Bridgette: And I told you we all play a part in making Jasmine's life better.

Aunt Lucy: Jessica, it's time for you to leave.

Jessica: I'm not going anywhere without my child... Unless it's with Darnell.
